Put a little aside each week for next Christmas...

Arbor Bank will add the last 'weekly' Christmas Club deposit!

Here's how it works:

1. Open your 2013 Christmas Club Account at any branch before November 23, 2012.
2. Schedule monthly or weekly deposits - whatever is convenient for you and your family.
3. Don't Peek! No withdrawals are allowed until the end of the period.
4. On November 1, 2013, Arbor Bank will make your final contribution and send you the balance of your account, just in time to go shopping!
