

In order to keep our systems up-to-date and secure, we occasionally require routine system maintenance.

**Time: 11:00 P.M. Central Time on Saturday, November 10
until 8:00 A.M. Central Time on Sunday, November 11**

This system maintenance will effect several systems during the above timeframe.

These systems will be offline during this period:

- **Online Banking**
- **Arbor Direct**
- **Arbor Mobile**
- **Telephone Banking**

We expect all of these systems to be accessible after 8:00 A.M. Central Time on Sunday, November 11.

Also – During this routine maintenance period, Debit Card Transactions Will be in Stand-In mode from **10:45 P.M. Central Time on Saturday, November 10 until 8:00 A.M. Central Time on Sunday, November 11.** Balances may not be checked prior to transaction authorization. Please check your available balances prior to using your Debit Card during this timeframe to avoid any potential overdraft of your account. Withdrawal limits will be based on the daily limits for transactions of \$200.

We make every effort to limit system maintenance down-time and effect as few clients as possible. We thank you for your patience and understanding as we make these necessary upgrades.
